Roll Call: DeShon, Voight, Turner, Neruda, Manoleas, and Compton.
Dortman, absent.

Public Comment: Debbie Manoleas stated that since this is a Public Hearing, she should have been notified of this meeting, as she has requested this before.

Chuck Raski mentioned that this is ridiculous because the most of the meetings he comes to is unprofessional along with corrections of minutes, he would not want to vote on anything either.

Clerk Turner mentioned that this meeting is for the public to comment on the budget.

Discussion on the Parks and Recreation Committee and the lack of communication between the Township Board. It seems that their funds are being spent on things they don't know about. The Committee is not notified of these purchases and that they do research on things, all for nothing.

Kathy Marsh had some inquiries on the water expenses.
