ROLL CALL: Manoleas, Turner, Compton, Voight, and Dortman.
DeShon and Neruda absent.

Supervisor Manoleas announced that this Public Hearing is to hear comments from the residents on the topic of Special Assessments for the Lighting Districts in Clyde Township.

Supervisor Manoleas would like to thank Treasurer Compton, Assessor Elisha and the office staff on all the hard work they did to prepare for this topic.

It was discussed that this has not been done for a while, and with splits and combinations of parcels this has changed some of the districts.

PUBLIC COMMENTS

Pam Rivard would like something in the Township Newsletter about people walking their dogs at night in the dark. The people wear dark clothes and it is a safety issue.
